BattleZone Paintball

September 19th 2009

C.A.G.' Is offering a one day Stryker course available to Local teams. . C.A.G. believes in working with players to better the sport of scenario and woodsball paintball.

C.A.G. Stryker Course – This is a crash course in basic team organization and tactics. It's a in your face action packed training session in which you will learn how to set up your gear, how to organize your team, fundamentals of combat shooting, movement techniques, battledrills, and ambush techniques. It is a one day course where you will learn how to organize everything from your kit to your team. You will learn tactical movement, and tactics used by the military adapted for the dynamics of paintball. Some parts of the courses are:

- Load Barring
- Bounding Overwatch
- Team Movement
- Team Structure
- React to Contact drills
- Ambushes and Raids
- Assessment skirmishes

This course was designed by a Special Forces operator but has been suited for those in scenario paintball. The course is also designed with safety in mind. There will be some live fire drills. After your training you will get the opportunity to apply what you will learn in CAG's exclusive Game Lab and engage CAG's hand picked OPFOR team.

Paintball Stryker course usually runs from 10am to 5pm with 2 small breaks and one lunch break.

BYOP is allowed at a \$5 charge.

BattleZone has several paintball brands to choose from.

The course cost \$45 and that covers the course, all day air, and the field fee.

Pre Registration ends on September 7th. Registration from Sept 8th to game day is \$50.

To Register, goto <http://www.battlezonepb.com/newhome2.htm> and follow the links to pay for the event.

Also feel free to Contact Kerry (Gunner) Dudley 706-614-5834

Those intersted should submit the following via email to moth34@comcast.net with CAG Course in the subject line, and take a gear requirements list home with them.

So come out and join in the fun and training so you can be PREPARED FOR BATTLE! PROCINTU!
